

PER IL FAI DA TE
NUOVO CONFEZIONAMENTO
IN SKIN-PACK

SK

 Presente da più di 60 anni nel campo della produzione di articoli per ferramenta e degli accessori per cancelli, IBFM mette a disposizione dei suoi clienti una parte della sua gamma di prodotti per il reparto fai da te e per la grande distribuzione. L'alta qualità MADE IN ITALY dei prodotti si unisce ad un packaging invitante e finalizzato alla vendita self service in confezioni skim pack sigillate complete di etichetta con indicazioni tecniche dettagliate dell'articolo e relativo

codice a barre. La gamma proposta è stata studiata secondo la nostra esperienza per intercettare le esigenze di una clientela sia tecnica che di utilizzatori finali. Su richiesta e per minime quantità da definire, è possibile ampliare l'attuale gamma di prodotti in skimpack di seguito riportata con altri articoli presenti nel nostro catalogo 2012/A o sul nostro sito www.ibfm.it secondo le esigenze della clientela di riferimento e della fattibilità di questo tipo di imballo.

 Notre firme, présente sur le marché des produits de quincaillerie bâtiment et accessoires de portails depuis plus de 60 ans, vient d'offrir à ses clients la possibilité d'avoir une série de produits en emballage single en skin pack pour la revente self-service et chez la grande distribution. Notre appréciée qualité italienne des produits est maintenant unie à la possibilité de offrir les produits en emballage single, soit pour les professionnels que pour les particuliers avec renseignements relatif, bar codes etc. Pour quantités importantes ou produits additionnels sera aussi possible de étendre cette offre avec autres produits de notre catalogue 2012/A ou notre site internet www.ibfm.it

 Leader on the hardware and gates accessories market for more than 60 years, IBFM offers to its customers a range of its products already packed up for the DIY and the self service distribution. The high MADE IN ITALY quality of the products has been linked to a good looking packaging finalized to the self service selling in sealed skim pack confections, all labelled with technical informations and bar codes. This part of our production has been studied to reach the needs of the technical and final user as well. For MOQ and on request, it's possible to enlarge this offer to other articles available on our catalogue 2012/A or on our web site at the address www.ibfm.it

 Lider desde mas que 60 años en la producción de artículos para ferretería y accesorios para cancelas, IBFM ofrece a sus clientes la posibilidad de tener una parte de sus artículos en embalaje en skim pack para la venta self service y la grande distribución. La calidad italiana de los productos es ahora unida con una confección utilizable en la venta en detalle para los utilizadores técnicos como para los utilizadores finales, con todas las informaciones y bar codes necesarios. Para cantidades especiales y pedidos, es posible ampliar esta oferta con otros productos de nuestro catalogo 2012/A o de nuestro sitio internet www.ibfm.it
